

39th Annual Conference of the Organisation of Eastern and Southern Africa Insurers (OESAI)

It is with great pride that the Corporation can report, with the support of a number of local and foreign institutions, the successful hosting of the 39th Annual insurance conference of the Organisation of Eastern and Southern African Insurers (OESAI) in our beautiful coastal town of Swakopmund from 4 to 8 September 2016.

The conferences was attended by close to three hundred delegates from Africa and abroad, some from as far as Russia.

The theme of this year's conference was: "The Future of the Insurance Industry in Emerging African Countries", and saw the presentation and discussion of six papers on the topics of the use of technology in insurance, developing customer centricity, cyber risk and the insurance challenges thereof, catastrophe modelling for emerging markets and regulatory reforms in Africa.

On behalf of Local Organising Committee, we would like to thank all the sponsors for their contribution to making this a successful Namibian hosted event.

The Corporation wishes to again thank Hon. Calle Schlettwein, Minister of Finance, for delivering the welcoming speech on the first day of the conference.

The Corporation sees it as imperative to continue to engage with Industry through events such as the above, which brings technical expertise from the continent and abroad to expand the knowledge base of our local industry.
