

NamibRe Bursary Scheme

NamibRe is committed to contribute towards the growth, development and empowerment of youth in the country. The Corporation is hereby inviting qualified young Namibian students enrolled at tertiary institutions in the field of mining, actuarial sciences and engineering to apply for financial assistance. Namibians from previously disadvantaged groups with strong academic track records are encouraged to apply.

COURSES SUPPORTED BY THE SCHEME:

- Actuarial Science
- Engineering
- Mining

ELIGIBILITY

- Proof of Namibia citizenship (Full birth certificate and Namibian ID)
- Registration at any recognized tertiary institutions
- Preferably tertiary students on their 2nd or 3rd year of studies and not having any other financial support
- 60% average pass mark in major subjects for students already studying at a tertiary institution.
- Motivational letter to explain why you have chosen to study in the specific field and why you deserve to be awarded the bursary

Interested candidates should send a written motivational letter together with latest results and a certified copy of ID to:
