

Schedule Security services

The Service Provider shall:

- Provide 24 (Twenty-Four) hour security services to NamibRe's premises including designated areas within and outside premises.
- Provide skilled security staff in two shifts: Day shift: 1 (one) person per shift per day; Night shift: 1 (one) person per shift per night and 1 (one) Supervisor: Always on call.
- Provide its guards with adequate training (e.g., arresting of criminals or usage of firearms), suitable work uniforms and safe work equipment. The Service Provider must ensure the guards have sufficient knowledge to operate firearms in accordance with the Arms and Ammunition Act, 1996, basic First Aid, firefighting and fire prevention skills.
- Provide additional guards to carry out minor protection services, if and when required.
- Stop and inspect all vehicles entering or leaving the premises to ensure that no unauthorised assets or belongings are removed from the premises.
- Protect the building and properties, maintain vigilant and follow theft prevention methods to ensure reliable and efficient services
- Report irregularities or suspicious activities as they arise

Due date: 09 April 2021
